Company Profile

About Founder The company founder Frank is an excellent business man. He is slim and not tall, but he made great success in the glassware filed. Frank is the first generation entrepreneur when China start the reform and opening up policy, The wisdom Frank build the company at the First special economic zones- shenzhen-the window for reform and opening up. The business grow rapidly in the first 10 years when China is still in the traditional Foreign trade and economic era. In the 21th century when the e-commerce rise, Frank made great adjustment on the business strategic direction. The company start walking out actively, focusing on the candle holder market and start forming the R&D department. Strength and powerful the supply chain make him won great public reputation in the US and Europe market. Frank insist the quality is always the first point in the business. He treat every customer and supplier like relative and see every team member as family. Everyone beside him is very proud of him - a great man.

FAQ

FAQ

Q1: Do you accept small order?

Yes, any quantity would be acceptable if we have stocks.

Q2: Do you have any other colors/sizes for this kind of jar?

Any colors can be customized according to pantone number or your sample, the we have some hot sale regular sizes for you to choose, if you want to make new sizes we can also open new molds.

Q3: What kind of lids you can offer?

We can provide lids in different materials like glass, ceramic, metal, wood, concrete and plastic ect.

Q4: Do you have certification for your products?

Yes, for the glassware, have ASTM. CA65 test , FDA etc.

Q5: Do you accept Third party inspection?

Yes,we accept it.It's the normal way for many clients.

Q6: How to ensure the production quality is what I need?

We will do the production and inspect the goods by sample we both approved. If you have more requirement for the product quality,we should discuss the quality standard before we place the order.

Q7: How could I get a sample?

We offer free samples for those we keep in stock, for custom samples we need 7~10 to get samples ready. Sample fee could be pay by Paypal, Alibaba, or bank.

Q8: What's your MOQ of ceramic jars?

The moq of a single order is 3000 pcs, 1000 pcs each color is acceptable

Q9: Why your sample cost is so expensive?

Sample cost is mainly for labor cost, it is not equal to unit price.

Q10: Could you arrange shipment for us together?

Yes, we can. We have a professional logistics department which help many of our customers handle shippments, if you need we arrange shipping, please tell us your company or warehouse address and we can quote DDU price to you check together
